

## Countdown to the Nationals Newsletter 5

Although the registration deadline of 31<sup>st</sup> of July 2017 for eligibility for the entry refund draw has passed, registrations to this year's NALGA National Golf Championships will still be accepted virtually up until the registration function on the 29<sup>th</sup> of October. Apart from being excluded from the refund draw the only other conditions that will be applied are:

1. The cut off date for ordering tournament shirts is the 5<sup>th</sup> of September 2017. This is the latest date to place the order with our supplier to guarantee delivery in time for the championships;
2. We will be unable to guarantee that late registrations will receive all merchandise items in the registration package, again due to the supply period for some items; and
3. We may be unable to guarantee cart bookings.

At the time of writing we have a total of 162 registrations made up of:

- 96 LH Men - 26 A Grade; 44 B Grade; 26 C Grade
- 13 LH Women
- 14 RH Players
- 39 Non-playing partners

Registration from overseas players is continuing to grow with 23 registrations received so far, comprising 4 from the UK, 1 each from the USA, Ireland, Canada and France, 4 from Sweden, and 11 from New Zealand. We understand that there is a reasonable possibility that several Chinese players who are attending the World Championships may also be considering staying on for the Australian Championships.

And remember, if you are looking for accommodation during the championships there are still a few rooms available at the Yowani Country Club. Remember when booking this accommodation to mention that you are playing in the Lefties National Championships as the rooms have been allocated for this event.

I look forward to seeing everyone here in Canberra in October.
